תקציר:

You were loved and lost - then you came back . . . Five years ago, three-year-old Dillon disappeared. For his father Harry - who left him alone for ten crucial minutes - it was an unforgivable lapse. Yet Dillon's mother Robyn has never blamed her husband: her own secret guilt is burden enough. Now they're trying to move on, returning home to Dublin to make a fresh start. But their lives are turned upside down the day Harry sees an eight-year-old boy in the crowd. A boy Harry is convinced is Dillon. But the boy vanishes before he can do anything about it. What Harry thought he saw quickly plunges their marriage into a spiral of crazed obsession and broken trust, uncovering deceits and shameful secrets. Everything Robyn and Harry ever believed in one another is cast into . . . doubt. And at the centre of it all is the boy that never was
